intention of the Compilers of

the tion Papers suitable for the

Intermediate Examination to

publish Hints and Answers to all the questions that presented any difficulty, but it has been suggested to them that this course was not necessary when the Answers could easily be found by reference to a good text-book - a suggestion which they adopted. In consequence, answers were given to some of the early papers in English Literature, Grammar and Geography, but not to later ones, and for the same reason no answers appear to the Euclid.
