What role should women play in church ministry? Does scripture allow women to serve? *The Whistleblower's Report*, author Jessica Linhart offers a look at this very question, emphasizing it's not our objective to understand the doctrine of man, but to understand God's doctrine. Linhart addresses controversial topics women face in ministry today, and she includes interviews with twenty-five women from throughout the country. She outlines and presents the hurdles in twenty-five separate "court cases." Each case presents the interests of both the offenders and the offended. *The Whistleblower's Report*, Linhart provides a host of Biblical evidence which leads to an in-depth study of the scriptures. Ultimately, she relies on the Holy Spirit to help guide Christians to deciphering the word in order to enter a verdict—guilty or

not guilty.
