Describes troubleshooting and repair techniques for electric motors, heating elements, refrigerators, washers, dryers, ranges, dishwashers, airconditioners, and hot water heaters "Quite simply the best financial self-help book." --Money Book Club, Book-of-the-Month Club Even if you consider yourself a financial "basket case," Chilton explains how you can easily put an effective financial plan into action. In this third edition of one of the biggest-selling financial-planning books ever, David Chilton simplifies the complex puzzles of personal finance and helps you achieve financial independence. With the help of his fictional barber, Roy, and a large dose of humor, Chilton shows you how to take control of your financial future--slowly, steadily, and with sure success. Chilton's plan (detailed in an entertaining story) is no get-rich-quick scheme, but it does make financial independence possible on nothing more than an average salary. This third edition has been updated with assistance from the Arthur Andersen Corporation. Each edition includes information

for that year and several previous years.
Explains how to repair any indoor or outdoor electrical appliance, with tips on troubleshooting and where and how to buy replacement parts This updated edition covers only five years to allow more detailed

instruction and features individual indexes for easy reference of each make and model.
Includes nearly 3,000 drawings and photographs and thousands of tables and specifications. Contains general information for technicians on the specifications, MIL resetting

and DTC retrieval, accessory drive belts, timing belts, brakes, oxygen sensors, electric cooling fans, and heater cores of twenty-one types of import cars.
