In this bestselling suspense thriller, a brilliant FBI agent faces a deadly challenge: decipher the mystery before each one is murdered. FBI Special Agent Maya Gray, 39, has seen it all. She's one of BAU's rising stars and the go-to agent for hard-to-crack serial cases. When she receives a handwritten postcard promising to release 12 kidnapped women if she will solve 12 cold cases, she assumes it's a hoax. Until the note mentions that, among the captives, is her missing sister. Maya, shaken, is forced to take it seriously. The cases she's up

against are some of the most difficult the FBI has ever seen. But the terms of his game are simple: If Maya solves a case, he will release one of the girls. And if she fails, he will end a life. In *GIRL ONE: MURDER* (Book #1), Maya embarks with an urgency unlike any she's ever felt. Is this killer toying with her? Does he truly have her sister? Will he ever give her back? Or will Maya end up sucked too deep into this killer's twisted cat-and-mouse game to notice that she, herself, is the prey? But as Maya delves into the world of prisons, correction officers and ex-cons, she quickly sees there is more there than meets the eye. She, it turns out, was not the only officer murdered. It was a serial. And this killer is more complex—and unpredictable—than anyone can imagine. And if Maya doesn't solve this case soon, her own sister's life may be on the line. Meanwhile, the first released "bunny" has given the FBI a promising lead on the killer's whereabouts—but are they walking into a trap? In *GIRL THREE: TRAPPED* (Book #3), case three has just landed, and the clock is ticking. The suspect, a copycat of the Moonlight Killer, seems to be using sophisticated audio equipment to stay one step ahead of his victims—and Maya herself could be next. Alfred Hitchcock had a gift for turning the familiar into the unfamiliar, the mundane into the unexpected. A director known for planning the entire movie before the first day of filming began by using the storyboard approach, Hitchcock was renowned for his relaxed directing style, resulting in an excellent rapport with his actors. Decades later, Hitchcock's films stand as sterling examples of innovative technique, infused with meaning that only repeated viewing can reveal. This work examines themes, techniques, and the filmmaking process in 15 of Hitchcock's best known films: The 39 Steps, Rebecca, Shadow of a Doubt, Spellbound, Notorious, Rope, Strangers on a Train, Rear Window, The Man Who Knew Too Much, Vertigo, North by Northwest, Psycho, The Birds, Frenzy and Family Plot. It explores the auteur's treatments of psychoanalysis, voyeurism, and collective fears during the Cold War. Also presented are key stories behind several Hitchcock classics, such as the director's stormy relationships with Raymond Chandler and David O. Selznick that resulted in synergetic success for some of his most successful films. The book includes numerous photographs and an extensive bibliography. A serial killer is targeting vulnerable organ donors with seemingly no rhyme or reason, and Rachel is locked in a furious race against time to find the connection between

Determined to go down fighting, and to keep her diagnosis a secret, Rachel faces her own mortality while trying to save other's lives. But how long can she go until she collapses under the weight of it all? "A MASTERPIECE OF THRILLER AND MYSTERY. use of suspense in ancient literature attracts increasing attention in modern scholarship, but hitherto there has been no comprehensive work analysing the techniques of suspense through the various genres of the Classical literary canon. This volume aspires to fill such a gap, exploring the phenomenon of suspense in the earliest narrative writings of the western world, the literature of the ancient Greeks. The individual chapters focus on a wide range of poetic and prose genres (epic, drama, historiography, oratory, novel, and works of literary criticism) and examine the means by which ancient authors elicited emotions of tense expectation and fearful anticipation for the outcome of the story, the development of the plot, or the characters' fate. A variety of theoretical tools, from narratology and performance studies to psychological and cognitive approaches, are exploited to study the operation of suspense in the works under discussion. Suspenseful effects are analysed in a double perspective, both in terms of the artifices employed by authors and with regard to the responses and experiences of the audience. The volume will be useful to classical scholars, narratologists, and literary historians and theorists.
