With the iWork '05 suite and iWork '05: The Missing Manual, you are totally equipped to give your work the style it deserves. The Complete Fire Inspector I and II Training Solution! Fire inspectors need to know how to interpret and apply national and local codes and standards in the office and in the field. Fire Inspector: Principles and Practice is designed to prepare fire inspectors to ensure the highest standards of fire and life safety in their communities. The National Fire Protection Association (NFPA) and the International Association of Fire Chiefs (IAFC) are pleased to bring you Fire Inspector: Principles and Practice, a modern integrated teaching and learning system for the fire inspector. This textbook meets and exceeds the job performance requirements for level I and II fire inspectors from Chapters 4 and 5 of NFPA 1031, Standard for Professional Qualifications for Fire Inspector and Plan Examiner, 2009 Edition. Fire Inspector: Principles and Practice is built on a solid foundation of the basics: building construction, fire growth, and types of occupancies. This fundamental knowledge is presented in a concise, understandable writing style that is easy to digest and recall. The solid foundation of fire and building knowledge then branches out to show the fire inspector how abstract concepts and codes will be concretely applied on a daily basis. This is the text that truly prepares fire inspectors for the real world. Unlock the power of Pages for Mac and iPad! Version 3.0, updated 01/12/2021 Apple's Pages word processor is a big, rich app with hundreds of features tucked away in nooks and crannies, making Michael E. Cohen's comprehensive book an essential resource for newbies and experts alike. Whether you prefer to dive into the details or get quick help with a particular feature, this book has got you covered. In this massively revised third edition, Michael expands his already extensive guide, detailing all the significant changes Apple has made to Pages since the last version of the book was released, including support for macOS 11 Big Sur and iPadOS 14. Among many other new and updated features, learn about adding drop caps to paragraphs, adding titles and captions to objects, using shared iCloud folders with Pages, and importing iBooks Author projects; and on an iPad, discover how to view two documents at once, use the new reading view, and enter handwritten text. Note: This edition of the book focuses primarily on the Mac and iPad versions of Pages, although it does cover the iPhone/iPod touch and web versions of the app to a limited extent.

With Michael's help, you can navigate Pages like a pro. You'll also learn how to:

- Find all the tools you need, whether on a Mac or an iPad
- Do everyday word processing, including working with fonts, tabs, indents, rulers, search and replace, spell checking, and more
- Format longer, more complex documents, with customized headers, footers, page numbers, tables of content, footnotes, and section breaks
- Manage styles, including paragraph styles, character styles, list styles, and object styles
- Create your own templates, complete with master objects
- Master the many multi-touch gestures in iPadOS that give you pinpoint control over page elements
- Include complex tables and charts and make them look exactly the way you want
- Customize layout and manipulate graphics like a pro
- Collaborate with others in real time using iCloud
- Share your documents across devices, using Mac, iPad, iPhone/iPad touch, or almost any web browser
